SMART POWER, ELECTRONICS, CABLES, TRANSMISSION, RENEWABLES & AUTOMATION EXPO

SPECTRA 2026

05 - 07 FEBRUARY 2026

**HELIPAD EXHIBITION CENTER
GANDHINAGAR, GUJARAT INDIA**

ABOUT SPECTRA

Spectra Expo is West India's premier exhibition for the Electrical, Electronics, Energy, EV, Semiconductors, Wires & Cables, and Automation sectors. Scheduled from February 5-7, 2026 at the Helipad Exhibition Centre, Gandhinagar (Ahmedabad), Gujarat, the expo will host 300+ exhibitors and attract 20,000+ trade visitors from across India and abroad.

This dynamic B2B platform unites industry leaders, innovators, manufacturers, and buyers under one roof—fostering collaboration, showcasing next-gen technologies, and powering industrial growth. Whether you're launching new products, generating leads, or exploring market trends, Spectra Expo is your gateway to connect, transform, and lead the future.
