ABOUT SHOW

The **16th Ankleshwar Industrial Expo 2026** is poised to be the biggest edition yet, building on the tremendous success of its previous four editions. With each year, the expo has seen exponential growth in both exhibitor participation and visitor turnout. The 2024 edition featured over **200 exhibitors** and welcomed **15,000+** quality attendees, establishing it as one of the largest industrial exhibitions in south Gujarat.

Supported by leading industry brands, government bodies, and trade associations, the expo has emerged as a powerful platform for industrial innovation, networking, and collaboration. For 2026, we anticipate **300+ exhibitors** and over **20,000 attendees**, with the added advantage of two major concurrent events:

- **CPTX** – Chemical & Pharmaceutical Technology Expo, focusing on process technology, packaging, and lab innovations.
- **FSSE** – Fire Safety & Security Expo, dedicated to fire protection, industrial safety, surveillance, and emergency response solutions.

Together, these parallel shows enhance the expo's value and create a multi-sector gathering for all key stakeholders in the industrial ecosystem.

ABOUT CONCURRENT EVENTS

CPTX brings together the latest in process technology, bulk drug and chemical machinery, lab & analytical equipment, packaging solutions, and automation systems. It serves as a focused platform for innovation and sourcing in the chemical and pharmaceutical manufacturing sectors.

FSSE showcases the latest in firefighting equipment, active & passive protection, fire vehicles, surveillance and detection systems, as well as drones, robotics, cybersecurity, and disaster management. It's a focused platform for safety, security, and emergency response solutions in industrial environments.

WHY EXHIBIT

BRAND EXPOSURE

Showcase your products and services to 20,000+ qualified buyers and decision-makers

EXHIBIT IN ASIA'S KEY INDUSTRIAL ZONE

Showcase in Ankleshwar – Gujarat's most strategic and growing industrial hub.

QUALITY ATTENDEES

Engage directly with qualified buyers, decision-makers, engineers, and industry professionals from across India and abroad.

BACKED BY GOVT. & ASSOCIATIONS

Gain credibility and visibility by being part of an event backed by key industry associations.

WHY VISIT

Industrial Expo is your gateway to the latest innovations, technologies, and solutions across a wide range of industrial sectors. It offers an unmatched opportunity to connect with thousands of industry leaders, decision-makers, and professionals, creating valuable networking avenues for long-term business growth.

Explore cutting-edge trends, gain actionable market insights, and experience live demonstrations of advanced machinery and solutions. Whether you're sourcing suppliers, benchmarking competitors, or forging new partnerships, the expo empowers you to stay ahead in a competitive industrial landscape and unlock new growth opportunities.

BOOTH TYPES & CHARGES

SHELL SPACE 11500 SQM

Experience a hassle-free exhibition setup with our all-inclusive Shell Scheme Package at Industrial EXPO. Designed for maximum convenience and professional presentation, the Shell Space includes a pre-fabricated stall structure, floor carpeting, furniture (tables and chairs), spotlights, and basic electrical provision for stall lighting—everything you need to make a strong visual impact with minimal setup effort.

BARE SPACE 11000 SQM

Unleash your creativity with the Bare Space option at Industrial EXPO. This format offers maximum flexibility, allowing you to design, construct, and customize your booth entirely to reflect your brand identity and vision. Whether you bring your own setup or hire professionals, Bare Space gives you complete control over your exhibition presence.
